

SUMMARY:

Data Analyst with 2 years of experience in Power BI, SQL, Python, and Advanced Excel, specializing in data visualization, reporting, and business intelligence within the FMCG domain. Skilled in developing interactive dashboards, analyzing sales and performance data, and delivering actionable insights to support business decisions. Experienced in data extraction, transformation, and reporting using Field Assist and Bizom datasets. Previously worked as an Assistant Professor for 1 year, where I optimized student data management processes, reducing data entry errors by 40% and saving 10+ hours per week while teaching statistics and analytical concepts.

SKILLS: -

MACHINE LEARNING | PYTHON | PANDAS | NUMPY | STATISTICAL ANALYSIS | SQL | POWER BI | EXCEL | SCIKIT LEARN | DATA VISUALIZATION | TENSORFLOW | MATPLOTLIB | NLP | POWER QUERY | ETL | DATA VISUALIZATION | DATA MODELLING | MySQL | STATISTICAL ANALYSIS | SSAS | SSIS | SSRS | TABLEAU | SAS | DAX | DATA ANALYSIS | REPORTING AND DASHBOARDING | DATA CLEANING

PROJECT Experience:

EXPERIENCE 1: [DATA ANALYSTS](#) (Nextg Apex Pvt. Ltd.)

Jun 2024 – May 2026

- 2+ years of experience as a Data Analyst, developing Power BI dashboards for sales, attendance, and coverage analysis across FMCG clients including Evocus, Coolberg, Multibrand, DFM, and Warren.
- Spearheaded the creation of a unified business summary dashboard by integrating data from five distinct business units, enhancing performance monitoring and strategic decision-making.
- Created and automated daily MIS reports using Advanced Excel, Power Query, and Power Pivot, improving reporting efficiency, data accuracy, and business reporting processes.

Analysis of sales and promotions for AtliQ Mart - [Power BI | Excel | SQL] [GitHubRepo](#) | [LinkedIn Post](#) | [Live Dashboard](#)

Mar 2024

- Mapped city-wise revenue trends and top product performance using Power BI, delivering actionable project business insights that drove a 20% increase in sales volume and 15% promotional ROI.

Analysis of CodeX - [Excel | SQL] [GitHubRepo](#) | [LinkedIn Post](#)

May 2024

- Analyzed consumer survey data from 10 Indian cities using MySQL to identify market trends, customer preferences, and purchasing behavior for CodeX energy drinks.
- Developed 3 strategic recommendations for market expansion, utilizing insights from 10 cities to guide data-driven decision-making for new territories.

Telangana Growth Analysis - [Power BI | Excel]

[GitHubRepo](#) | [PresentationVideo](#) | [Live Dashboard](#)

Sep 2023

- Developed Power BI dashboards to analyze Telangana's growth across agriculture, manufacturing, and services sectors, identifying key investment opportunities that contributed to a 15% increase in investments.
- Leveraged data-driven insights to optimize resource allocation, improving operational efficiency by 25% and generating annual cost savings of \$1.5 million.

INTERNSHIPS:

[Data Science Intern](#) - Bharat Intern

Feb 2024 - Mar 2024

- completed two projects: one predicting Titanic survival rates with **machine learning** and another classifying dogs and cats using CNN

[Data Science Intern](#) - CodSoft

Feb 2024 - Mar 2024

- finished three projects: one predicted Titanic survival rates, another classified IRIS Species, and the third focused on advertising which improved my knowledge about **data analysis** and **machine learning**

[Data Analysts Intern](#) - AtliQ Technologies

Oct 2023 - Nov 2023

- Diving deep into the 5G Impact **Dashboard**, I've carefully analyzed data and crafted a comprehensive presentation highlighting its insights

[Data Analysts Intern](#) - MedTourEasy

Sep 2023 - Oct 2023

- Examined age-specific data on left-handedness rates to uncover evolving trends; insights catalyzed a transformative shift in the understanding of longevity patterns among left-handed individuals, challenging conventional assumptions

CERTIFICATE / PUBLICATIONS :

- Published one paper in International journal of engineering research and Technology on "[Density Evaluation and WeavePatternClassification of Fabric Using Image Processing](#)"
- Certified **Data Science** Professional from "[OdinschoolData ScienceBootcamp](#)". AND also [Codebasics DataAnalyst Bootcamp](#),

EDUCATION:

Shivaji University Kolhapur, Maharashtra, India

M.E., Electronics Engineering-First class -----

2019
