

SUMMARY:

Data Analyst with 2 years of experience in **Power BI, SQL, Python, and Advanced Excel**, specializing in **data visualization, reporting**, and business intelligence within the **FMCG** domain. Skilled in developing interactive **dashboards**, analyzing sales and performance data, and delivering actionable insights to support business decisions. Experienced in data extraction, transformation, and reporting using **Field Assist and Bizom datasets**. Previously worked as an Assistant Professor for 1 year, where I optimized student data management processes, reducing data entry errors by 40% and saving 10+ hours per week while teaching statistics and analytical concepts.

SKILLS: -

POWER BI | EXCEL | SQL | DATA VISUALIZATION | POWER QUERY | ETL | DATA MODELLING | MySQL | STATISTICAL ANALYSIS | TABLEAU | DAX | DATA ANALYSIS | REPORTING AND DASHBOARDING | DATA CLEANING | MACHINE LEARNING | PYTHON | PANDAS | NUMPY | STATISTICAL ANALYSIS

EXPERIENCE : DATA ANALYSTS (Nextg Apex Pvt. Ltd.)

Jun 2024 – May 2026

- 2+ years of experience as a Data Analyst, developing Power BI dashboards for sales, attendance, and coverage analysis across FMCG clients including Evocus, Coolberg, Multibrand, DFM, and Warren.
- Spearheaded the creation of a unified business summary dashboard by integrating data from five distinct business units, enhancing performance monitoring and strategic decision-making.
- Created and automated daily MIS reports using Advanced Excel, Power Query, and Power Pivot, improving reporting efficiency, data accuracy, and business reporting processes.

PROJECTS :

Telangana Growth Analysis - [Power BI | Excel] [GitHubRepo](#) | [PresentationVideo](#) | [Live Dashboard](#)

Sep 2024

- Developed Power BI dashboards to analyze Telangana's growth across agriculture, manufacturing, and services sectors, identifying key investment opportunities that contributed to a 15% increase in investments.
- Leveraged data-driven insights to optimize resource allocation, improving operational efficiency by 25% and generating annual cost savings of \$1.5 million.

Analysis of sales and promotions for AtliQ Mart - [Power BI | Excel | SQL] [GitHubRepo](#) | [LinkedIn Post](#) | [Live Dashboard](#)

May 2024

- Mapped city-wise revenue trends and top product performance using Power BI, delivering actionable project business insights that drove a 20% increase in sales volume and 15% promotional ROI.

Analysis of CodeX - [Excel | SQL] [GitHubRepo](#) | [LinkedIn Post](#)

Mar 2024

- Analyzed consumer survey data from 10 Indian cities using MySQL to identify market trends, customer preferences, and purchasing behavior for CodeX energy drinks.
- Developed 3 strategic recommendations for market expansion, utilizing insights from 10 cities to guide data-driven decision-making for new territories.

INTERNSHIPS:

[Data Science Intern](#) - Bharat Intern

Feb 2024 - Mar 2024

- completed two projects: one predicting Titanic survival rates with **machine learning** and another classifying dogs and cats using CNN

[Data Science Intern](#) - CodSoft

Feb 2024 - Mar 2024

- finished three projects: one predicted Titanic survival rates, another classified IRIS Species, and the third focused on advertising which improved my knowledge about **data analysis** and **machine learning**

[Data Analysts Intern](#) - AtliQ Technologies

Oct 2023 - Nov 2023

- Diving deep into the 5G Impact **Dashboard**, I've carefully analyzed data and crafted a comprehensive presentation highlighting its insights

[Data Analysts Intern](#) - MedTourEasy

Sep 2023 - Oct 2023

- Examined age-specific data on left-handedness rates to uncover evolving trends; insights catalyzed a transformative shift in the understanding of longevity patterns among left-handed individuals, challenging conventional assumptions

CERTIFICATE / PUBLICATIONS :

- Published one paper in International journal of engineering research and Technology on "[Density Evaluation and WeavePatternClassification of Fabric Using Image Processing](#)"
- Certified **Data Science** Professional from "[OdinschoolData ScienceBootcamp](#)". AND also [Codebasics DataAnalyst Bootcamp](#),

EDUCATION:

Shivaji University Kolhapur, Maharashtra, India

M.E., Electronics Engineering-First class -----

2019
